Memo 2020-18

Cascades Support and Covid-19

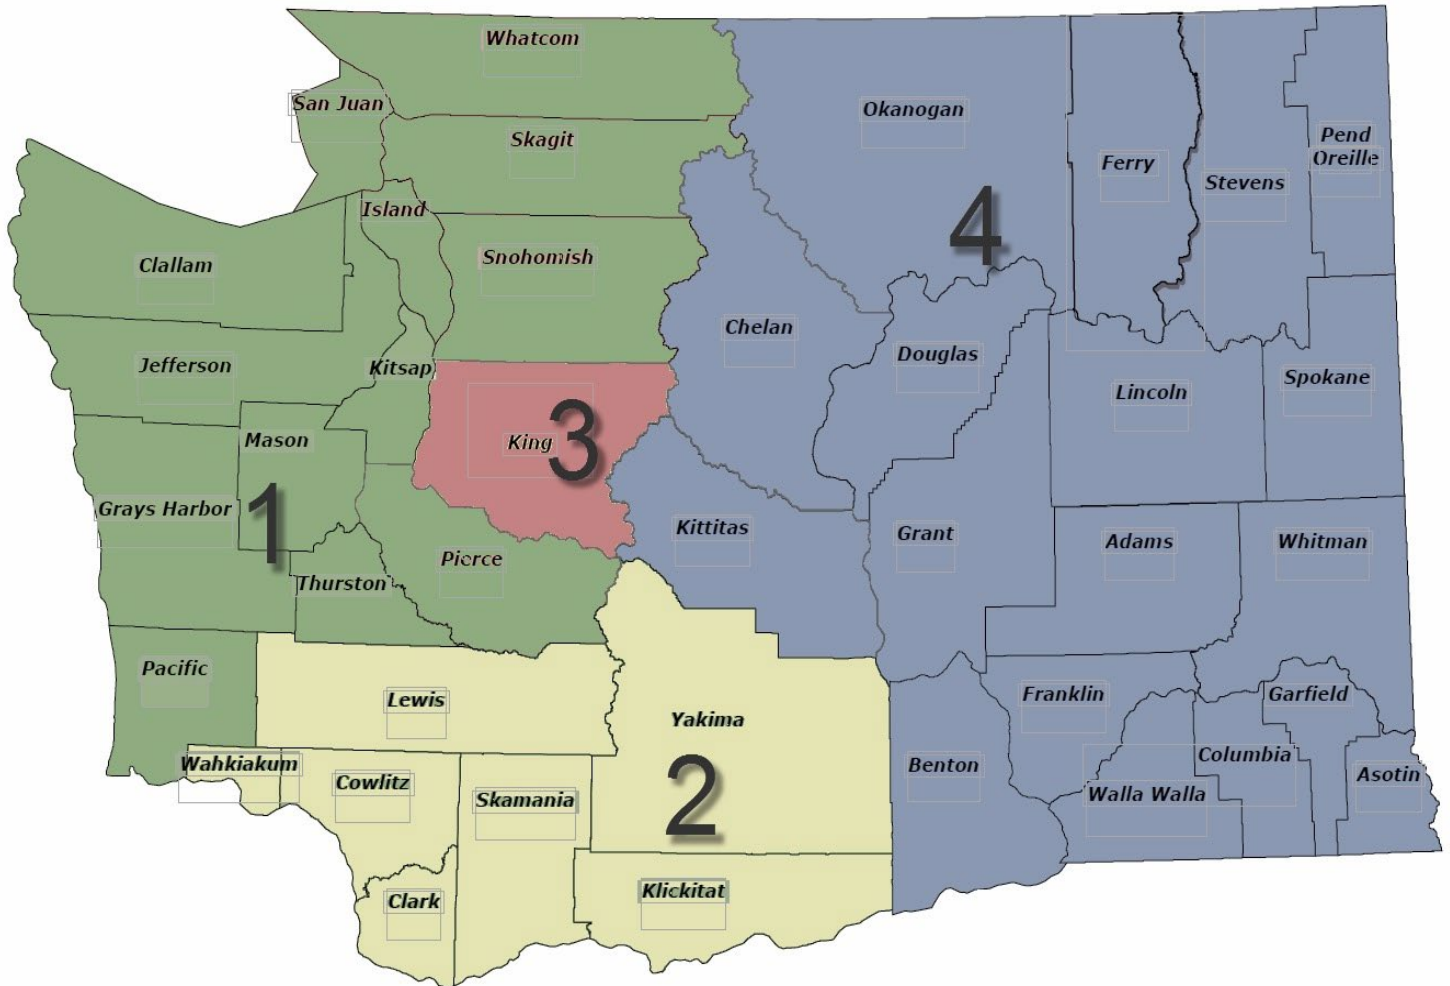

During the Covid-19 incident response, each region has a designated Cascades Support number. Please refer to the table and map below. Call the Cascades Support number for your region or email Cascades.Support@doh.wa.gov.

If you leave a voicemail or send an email, expect a prompt response from a Cascades Support member. If the line is busy and your call is urgent, please try a number for another region.

These temporary changes to Cascades Support access begin today and continue until further notice.

As always, we're ready to serve you as you serve your clients.
