

Training Survey

We're providing training on COVID-19 for staff. The training will include the following three topics:

- 1) Learning about COVID-19
- 2) Managing anxiety and supporting good self-care
- 3) Providing remote WIC services using a phone or video conferencing

In order to provide the most relevant training, we'd like to hear from you and staff. **Please email your completed survey by Friday, April 24, 2020 to WAWICTraining@doh.wa.gov**

1) Learning about COVID-19

What questions do staff and participants have about COVID-19?

What would you like staff to know about COVID-19?

2) Managing anxiety and supporting good self-care

What would you and staff like to learn about managing anxiety and stress during this time?

3) Providing remote WIC services using a phone or video conferencing (beyond training on video conferencing software)

What would you like to learn about having an effective participant centered interaction?

What areas are most challenging?
