

People•Purpose•Possibilities
Creating a Culture of Kindness, Building Connections, and Imagining the Future

Hello WIC Coordinators and staff,

This year, our theme, *People, Purpose, Possibilities*, is the focus for our conference slideshow. We're excited to see our WIC friends on the "big screen" as part of the virtual conference experience. We hope you and your staff will send in your photos, sharing how you're creating a culture of kindness, building connections, and imagining the future.

Submit your photos:

Send photos to WaWICPictures@gmail.com by **April 16, 2021**.

Include:

- Clinic name
- Caption describing the event or location
- First name(s) of staff in the photo (optional)
- Photo consent for all staff or participants in the photo. Use either the one provided or your agency's photo consent form.
- Photo title (e.g., Westside Community Farmers Market vs. 1295045562)

All types of photos are welcomed! We know in our current time of remote services we may not have as many opportunities to see smiling families at their WIC visits. For this reason, we're hoping staff consider sharing photos including those with their "helpers", like pets or children!

Thank you for sharing in photos, how you and your staff make WIC a place of kindness, connection, and possibilities for Washington WIC families
