

Be the one who
**makes a
difference for
young families.**

Join the health district as a WIC Program Manager!

Be the one who paves the way for the Women, Infants and Children (WIC) Program at Spokane Regional Health District (SRHD) to continue helping address the health needs of women, infants and children in your community. Lead an amazing team as they partner with clients who are pregnant, breastfeeding or caring for children up to age 5, providing health care referrals, nutrition education, and breastfeeding support.

Required Minimum Qualifications

- Bachelor’s degree in nutrition, health education, health promotion, community health, or related field.
- Five (5) years of relevant program experience in a supervisory capacity.
- Registered dietitian or Washington state certified dietitian preferred.
- Valid driver’s license and current automobile insurance.

Hours

Full-time, Exempt, 40 hours

Position Title

WIC Program Manager (Mgr. 2)

Benefits and/or Special Perks

SRHD offers an array of benefits including multiple medical and dental options, retirement plans, paid sick leave, paid vacation, an on-site fitness center and so much more!

Location

Spokane Regional Health District
